Monthly club meeting at Denny's Restaurant, corner E. McCarran & I-80, Sparks, NV, first Wednesday of the month. 7:00 p.m.

Hi everyone, and hello Summer! This newsletter will be VERY short---I'm not a writer, and I think we pretty much covered everything in the June newsletter. I have to say kudos to Kenna Boyer for finding SOMETHING to write about for so many years.

Gerard was booshway at the June, 2016 shoot.

1st place goes to Dave McClenahan with 16
2nd place was Frank Davis with 11
3rd place was Gerard Garra with 10

As said in the last newsletter, the Memorial Rendezvous was a success. Something I forgot to mention was Kenna and her children made it out for the day on Sunday. She's doing well and continuing to recuperate with her son and family at their home in Fallon.

Mike Floyd, from Feather River Buckskinners, was AWESOME enough to deliver a truckload of wooden rounds so we can spruce up the Hawk and Knife course.

There was a conflict with the June shoot due to the Pacific Primitive Rendezvous. Ken Moser and Pres. Kent Seegmiller attended and found that Paul and Geri Chapman and Pat and Lynn Argall from the Eagle Valley Muzzleloaders were also in attendance. Opening weekend in Seneca, OR was rainy and cold with the weather finally clearing on Sunday. Shooting began on Monday with Ken Moser upholding the honor of our club with a first place in rifle!

Dave "6-Lips" will booshway the July shoot for those hardy enough to show up in the July heat. All y'all are winners!

Heard from Aubrey, they are working hard to get settled. They are currently baking in 109º.

As of this time, no plans have been made for any other club activities other than the normal monthly shoots. All the scheduled work on the course are completed.

Hope you all have a safe 4th of July weekend.
